

Five Saints Distilling and International Spirits

We provide small batch hand crafted quality, premium, and ultra-premium spirits. Each is created using classical techniques, modernized processes, and state of the art equipment.

Every batch is meticulously produced, to assure consistent pleasurable taste experiences, drink to drink, bottle to bottle, and barrel to barrel.

1 – VODKA

\$31.19

Vodka (80 proof - gluten free) made from corn grown in the Norristown Farm Park. Triple slow distilled for a smooth taste with a long finish.

2 – SAVORY TUSCAN STYLE GIN

\$36.39

Our smooth gin (90 proof) is infused with the taste of juniper berries, rosemary, Italian herbs and spices, and a touch of chamomile and eucalyptus. Great for martinis or mixed cocktails.

3 – WHITE WHISKEY (WW)

\$36.39

White Whiskey (90 proof) distilled from 75% PA corn and 25% rye, and un-aged. Bold yet spicy with tequila like notes blended with traditional whiskey flavors.

4 – BLOOD ORANGE (BO) LIQUEUR

\$37.39

Liqueur (50 proof) with reduced sugar and alcohol and packed with flavors from both the pulp and the rind of blood oranges. Our liqueur is ideal as an aperitif or as a cocktail modifier.

5 – RARE PENNSYLVANIA WHISKEY (PAW)

\$49.95

Rare PA Whiskey (100 proof) distilled from 75% PA corn and 25% rye. Aged for ~2 years with Oak Infused Spirals, and then bottled in small 365 bottle batches. The corn provides a smoothness while the rye provides just the right amount of spiciness to create a robust but smooth sipping “bourbon style” whiskey.

6 – HUMANE NO. 1 RUM

\$36.39

A uniquely flavored rum (80 proof) balanced with tastes of Maple, Bourbon, and Butter Pecan, blended together for a contemporary twist on this Brazilian sugar cane spirit.

7 – ABSINTHE AMERICANE

\$62.39

An uncommon absinthe (118 proof) with a refreshing take on a traditional spirit that features the taste of fresh raspberries and soothing lavender overlaying a traditional anise base.

(750 ML BOTTLES OF EACH ARE AVAILABLE TO GO)
